Incentive Ideas in Russia

During creation of hospitality and incentive programs please foreseen in Russia:

- Museums in St. Petersburg and Moscow are full with tourists and cruise passengers as its high tourist season (White Nights for St. Pete). To avoid long lines better to order early / late opening.
- Almost all proposals for incentive are unique and do not have fixed rates, we would be glad to make calculation and to check availability just after you have Confirmation of air tickets / hotel / tickets to the matches.
- Rates are available up on RQST after 1st of March 2018.

Russia is famous with its:

- History (from royal via communism to modern Russia)
- Culture (palaces, museums, ballet, opera)
