Passion Play Oberammergau, 16.05.-04.10.2020

The history of the Oberammergau Passion Play begins in 1633. In the midst of the Thirty Years War, after months of suffering and dying from the plague, the Oberammergau people vowed to perform every 10 years "the play of the suffering, dying and resurrection of our Lord Jesus Christ". At Pentecost 1634 they fulfilled the promise for the first time. Already in the middle of the 18th century spectators from all parts of Germany came to Oberammergau, attracted by the great power and charisma of the game.

In the year 2020 the congregation will perform the Passion Play for the 42nd time, after it has been carried through the centuries in a unique continuity. More than 2,000 participants perform the story of Jesus of Nazareth for five hours on the impressive open-air stage of the Passion Play Theatre. The people of Oberammergau will also show in 2020 that the play has retained its validity for 386 years and will make it a unique cultural event.
